Assessor Comments	A line of 17 x 12-18 month old 'Mooginella' blood Angus Cross steers. Steers present in store to forward store condition and in the last 4-6 weeks, these cattle are really on the do, are starting to lose their winter coat. This is a good opportunity to secure backgrounder steers with Hybrid Vigour, and showing good growth for their age. These steers would normally be retained and grown out to heavier feeder weights. Sale due to on going rain and property going underwater. *Buyer's note: 2 x steers horns were tipped at assessment, 5 x white bellies noticed, 5 x steers showing white marks on face.
