All steers were drafted prior to weighing through the round yard without too much aggression being shown. Steers became agitated when under pressure when confined in the crush. Steers all seemed to settle back down once back in the mob.

Assessor Comments	A great line of vendor-bred Brahman and Brahman cross steers. 63 Head Branded #2. Steers are in good strong condition and would be ideal to grow out to heavy feeders or bullocks. The steers were good to handle and were all drafted through the round yard prior to assessing. Steers did become agitated under pressure, but all seemed to settle back down once back in a mob. Please note the short delivery period as cattle are being held around the yards on hay. The vendor has 5 lots in this sale totalling 730 head.
