| Assessor Comments | Buyers a great run of USDA, NOP ORGANIC GAP certified steers out of Brangus and Charolais cross cows sired by predominately Sale topping Gidyea Ultrablack Bulls. The Bogarella strs are highly sought after when taken through to Organic grass Bullocks and continually hit target grids.Steers powering ahead on green feed acheiveing weight gains in access of 1.5kg/day in the last month Ideally suited to take through to above mentioned market or for the conventional buyers would suit all grassfed programs as no antibiotics or grain in there life, alternatively would make great 100 day feeder strs for feedlotters. Please note 2 steers observed with old blight scarring in 1 eye not considered detrimental. A couple of steers showing signs of lice due to no treatments in Organic operation. Vendor has another 2 decks strs same sale. |
