| Assessor Comments  | Buyers an opportunity to secure 3 decks of good quality light weight HGP free Brahman steers. These steers are best described as medium frame and have excellent temperament being weaned back in April 2022. Steers are all frame and are ready to pile the kilos on with access to green pastures with plenty of compensatory gain to be had. At assessment there was 10 steers that had old ring worm scarring around head and neck. Buyers please note there is 2 family brands and ear marks. |                                                              |                                     |
