Assessor Comments	Buyers on offer are 2 decks of predominantly Droughtmaster infused milk tooth steers. These steers show good bone and body type and given the opportunity on good feed will grow into a good line of heavier feeder steers, grass fed bullocks or feed for the Coles trade doing a 70 day grain certified bullock job. Please note 6 steers were dehorned prior to assessment with dry blood still around head at assessment. This is your chance to secure 2 decks of steers will power ahead on feed for intending buyers. *please note vendor has another lot of steers in same sale*.
