Assessor Comments: Buyers, Here is a very rare opportunity to purchase straight bred Polled EU Santa heifers with a wealth of breeding. These heifers present in good store condition weighing 426kg. Heifers have fantastic breed type with great length, volume and femininity, are extremely soft smooth easy doing types. They are bred in the purple being out of A grade Santa cow herd by top quality well above bred avg stud Santa sires (Strathmore, Rosevale & Greenup sires). Heifers where very good to handle through yards. These heifers would ideally suit as future breeders. Note one heifer had very slight twisted nose. Vendor has other line of heifers in same sale.
