Assessor Comments	Buyers, Here is a very rare opportunity to purchase a straight line of well bred EU Santa heifers with a wealth of breeding. These heifers present in good store condition weighing 432kg. Heifers have fantastic breed type with great length, volume, femininity, and are extremely soft smooth easy doing types with great depth of flank. Heifers are bred in the purple being out of A grade Santa cow herd by top quality well above bred avg stud Santa sires (Strathmore, Rosevale & Greenup sires). They where very good to handle through yards. These heifers would ideally suit as future breeders. Note one heifer had very slight twisted nose. Vendor has other line of heifers in same sale.
