| Assessor Comments | Buyers, Here is a good line of vendor bred (Grass only eligible and antibiotic free) soft Angus cross steers that ave 377kg. Steers have very nice length of body with tremendous softness and depth of flank, show good spring of rib with great weight for age only being 11 to 14 months old. Steers have nice muscle expression with plenty of room to grow out. These steers are bred out of medium to large frame Canmaroo Angus cross cows by good quality Angus sires. Cattle where a pleasure to handle through yards. Canmaroo cattle have a great reputation for performance on grass and grain. Vendor has heifers in same sale. |
