The majority of the steers worked well through the pound, crush and yards; some taking offence being put back through the crush a second time. At no time did they challenge, but did have some run in them if given space; but could be blocked.

Handled With	Bikes , Dogs , Vehicles
Assessor Comments	Two decks of handy steers suitable to go on the grain or crop for the heavy trade, light export markets. The majority showing good frame & softness. Now is the time to purchase these steers and finish off fattening as they have been on good feed and converting well. *Please also note there is a couple with clouding in the eye/old scaring but not detrimental. *There is also 2 other lots of feeder weight brothers in the same sale.
