Cattle had just been drafted into 2 mobs prior to assessments taking place, the Heifers drafted off well and were easy to handle from pound through to crush. Heifers walked away from crush quietly back into the rest of mob with ease .

Handled With	Bikes , On foot , Vehicles
Assessor Comments	A nice even draft of Heifers, nice and soft and have the chance on the right feed to grow out into good breeders on ideal as feeder type heifers, all being weaned a few weeks back they are holding condition well and starting to shine losing the winter coat. You will notice there is a couple of Heifers with a different ear mark they just belong to a family member. There is a couple of Heifers with baby horns as seen in photos and 2 Heifers showing white face. Overall, a nice draft of Heifers you'd be happy to have in your paddock. Same vendors have a draft of 23 steers from same mob in this auction...
