Assessor Comments	A very good line of Angus Steers. These Steers are very well bred out of a very well known Cow herd within the Goondiwindi district that is based on Raff and Te Mania blood and all Steers being by high indexing Te Mania Bulls. Steers that have been running on Oats and have done exceptionally well averaging 1.6kg a day. These Steers would be the ideal to feed or take through to suit MSA markets. Noticed at assessment 2 Steers with old scars on their eyes but not detrimental.
