All Heifers were very good to handle at assessment. These Heifers flowed through the yards without any issues. 1 Heifer got slightly agitated while being weighed and then settled once returned to the bigger mob.

Assessor Comments

A very good line of Angus Cross Heifers. These Heifers show good weight for age, shape and breed confirmation. These Heifers would suit to join to a Bull of your choice or to feed for Domestic markets. These Heifers have been started on crop and have been doing very well since they have been on Oats for the last 6 weeks currently averaging 1.4 - 2kgs per day across the total mob. Vendor also has 107hd also available in the same sale which could be used for truck fillers.
