Assessor Comments	A top quality line of weaner steers. 1 brand acc: Breeder. Vendor is principal of Elkay2 Droughtmaster stud. Carabar Angus Stud bulls used in Droughtmaster, Angus Cross. Steers are well grown, show good bone and muscling. Very tidy around head being either polled or very well dehorned. Very good temperament. 20% tail has been taken out of this draft. Previous steers and females sold from this herd have had very good reviews from purchasers. Top quality draft of steers that show excellent weight for age and would suit backgrounders, feedlots and potential to fatten to heavy steers at a young age. Come highly recommended.
