Temperament

Yards	Crush	Paddock
Quiet: 8 head	Quiet: 5 head Slightly Stirry: 3 head	Quiet: 8 head

The steers are very placid in the paddock and come up to the ute when lucerne hay is fed out. The steers were good to handle in the yards with only a small percentage becoming agitated in the crush before settling nicely when returning to the

	mob.
Handled With	Bikes , Low stress handling practices
Assessor Comments	A small line of predominantly Angus and Angus x steers that present in strong store condition and will offer potential buyers good compensatory weight gains as they have been running on light mountain country. The steers have good frame and will thrive on any improved pastures or crops going forward. **Please Note** Vendor has several lots in the sale.
