Assessor Comments	A good quality line of EU accredited Shorthorn and Shorthorn cross yearling steers, the younger half of the drop with the older half being sold 3 months previously. Have been yard weaned. With a good proportion large frame and good bone and conformation these steers are suitable to take to the heavy end of export feeder weights or top end of EU or other premium slaughter markets. Note they are grass market eligible, never been fed grain. They are also eligible for The Thousand Guineas Beef program.
