Assessor Comments	A small line of trade heifers which had a tough start but are on the do now. They were purchased as a trade option and have had everything thrown at them to get them up and going. Weight 206 - 286kg to Ave 238kg full at assessment. There is plenty more gain in these cattle so a great trade opportunity to be had. NOTE - refer to photos for old eyes & scar on back. Vendor has 23 Hereford steers - and 11 lighter Hereford heifers in this sale.
