| Assessor Comments                  | Quality line of surplus to requirement ewe lambs and hoggets. May/ June 2025 drop, May shorn drenched, mulsed, NSM. These ewes given the right plane of nutrition should be suitable to join to the rams of your choosing in the spring. Currently gaining weight at 270g/day they are really firing after a fantastic winter break. Buy with confidence these ewes will perform! small tail removed. |            |             |             |
